
CROSSVILLE SKATEPARK | *General Design Requirements*

By xxx
Nov 17, 2007

To provide a family-friendly, safe, clean environment where youth of all ages from both Crossville and Cumberland county areas can practice and learn the sports of skateboarding, in-line rollerblading and BMX biking in a park designed for this specific purpose.

BACKGROUND | *objectives*

- **Best small town skatepark in TN**
- **Family friendly**
- **No drugs, clean, no smoking, safe**
- **Multiple age ranges**
- **Multiple skill levels**
- **Year-around skating**
- **PARK MUST BE EXCITING AND ENGAGING ENOUGH TO KEEP SKATERS GOING TO THE SKATEPARK AND OFF THE CITY STREETS.**

REQUIREMENTS | *physical space*

- **Indoor/Outdoor combo**
 - Crossville has some cold winters and wet weather
 - Part of the park should be covered and skateable in inclement weather
- **Modular vs Concrete**
 - We are not tied to one or the other. If modular, contractor should recommend skatepark surface to city.
 - Low maintenance
 - Reconfigurable
 - High quality
 - Handle BMX, rollerblades, skateboards
- **Skating space allocated**
 - Main area: 80ft x 120ft skate rectangle in the city park (Centennial Park)
 - Smaller connected square approx 50ft x 50ft potentially available for a bowl
- **City will provide**
 - Lighting, fencing, site preparation with separate contractor
 - Funding for ramps and design-build
 - Surface of skatepark
- **Obstacles Mix**
 - User Experience: 20% Beginner, 60% Intermediate, 20% Advanced
 - Terrain: 55% Street, 45% Transitional/Vert
 - Everything should be skateable in the park

REQUIREMENTS | *usage*

- **Open to all skateboarders, rollerbladers, BMXers**
- **Ages 5 and up**
- **Weekdays: 1-50 people**
- **Weekends: 50-200 people**
- **Special events, team competitions, camps**

REQUIREMENTS | *environment*

- Geared for skaters but family oriented
- Bathrooms already available at the City park
- Viewing area for parents and families (benches/bleachers)
